

# The Ready, Set, Internet!

## Theme Song

Lyrics by Clicky

Clicking on the mouse; Clicky's in the house.  
WizzyWig Wig, which WizzyWig is which?  
Clicking on the mouse, Clicky's in the house.  
WizzyWig Wig, which WizzyWig is which?

**Ready, set** (ready set, ready set)

**Internet** (Internet ready set)

**Ready, set** (Here we go, Clicky's show)

**Internet** (Internet ready set)

Yo, here I come with the beat;  
"**Ready, Set, Internet!**" rocking the street.  
We have Nettie, Webster, and Clicky to teach,  
all about the Internet to you and me.  
So start clicking your mouse and hear what I say,  
C'mon, c'mon everybody say hey.  
Watch "Ready, Set, Internet!"  
Don't wait another day.

**Ready, set** (Broadband, dial-up)

**Internet** (DSL, dial what?)

**Ready, set** (Here we go, Clicky's show)

**Internet.**

**Clicky, Nettie, Webster**
