

Tell a Trusted Adult

Lyrics by **Clicky**

My name is **Clicky** and this is my show.
So listen to my rap and listen to my flow.
Telling a trusted adult is the way to go,
Because you can't trust people that you don't know.

Surfing the net can be a lot of fun.
But seeing something scary can make you wanna run.
If that ever happens, there's one thing you should do.

Tell a trusted adult, now there's your first clue.

Use your NetSmartz and remember the rules.

Have fun on the web; it's great, it's cool.

Find yourself a grownup that you can trust.

Be safer online or I'll start to rust.

Hey kids, **be smart** and listen to me.

I'm **Clicky**, the king of **online safety**.
